

Earth Science Homework Schedule

Third Quarter

The Earth Science Homework Schedule tells both student and parent of the homework for Mr. Acree's Earth Science class for the this quarter. If there are any changes due to any unforeseen school schedule change in the academic week, students will be promptly informed. The Homework Schedule tells students and parents of the homework is required each week with due dates, and scheduled tests. Each quarter's Homework Schedule are required to be glued or taped on the instructed page in the student's Earth Science Notebook.

All students have been issued their login and password to the online textbook. Copies of the Homework Schedule are available in class and on the Earth Science Web site www.myrc.org/earth.htm and on **JupiterGrades**.
